From the Sanitary Commission

No C. 515-38 of 13.7.25

Requests sanction to exempt bills
for an account of the supply of
vaccine lymph from ~~the present~~
stock certificates before effecting
book adjustments.

Subd. The Sanitary Commission
states in his letter to the Comptroller
that as the vaccine lymph is
indented for by the Vaccinators
from the Superintendent of the
Vaccine Institute and is supplied
direct to them, as long as cor-
respondence will have to be carried
on with the President of District
Boards or Municipal Councils
before the stock certificates can be
recorded. Hence the procedure is
recommended to be modified and
the Comptroller ~~has indicated that action is being taken~~
~~to discontinue the present procedure~~ ~~in relation to the certificates~~ ~~as they are not useful for any purpose.~~
The Financial Secretary may be
consulted, if approved.

OFFICE OF THE SANITARY COMMISSIONER
WITH THE GOVT. OF MYSORE,

Bangalore, dated.....13th Aug.....1925.

No. C515-33
Enc. *om*

From

B. MAHOMED USMON, ESQ., I.M. & S.,
~~Asst. Sanitary Commissioner with the Government of~~

~~Offg.~~ Sanitary Commissioner with the Government of
H. H. the Maharaja of Mysore, BANGALORE.

To

Sany 4-25-1

B. NAGAPPA, ESQ., ESQ., Bar-at-law,
Secretary to the Government of Mysore,
Local & Legislative Departments, BANGALORE.

Sir,

In enclosing a copy of my letter No. C.515-31 dated the 14th May 1925 to the Comptroller in Mysore, regarding delay in adjustment of certain bill on account of vaccine lymph supplied to the Malnad Improvement Vaccinators in the Hassan District together with a copy of the Comptroller's reply thereto, I have the honor to request that orders may kindly be passed exempting such bills from the prescribed procedure requiring stock certificates being recorded on them before effecting book adjustments.

I have the honor to be,

Sir,

Your most obedient servant,

M. G. Sanitary Commissioner

SANITARY COMMISSIONER, M. G.

A. R. M.

Letter No. W.515-31 dated the 14th May 1925 from the Sanitary Commissioner in Mysore, Bangalore, to the Comptroller in Mysore, Bangalore.

With reference to your memo No. 1618/W.A.D. (Mis.) dated the 9th Instant enquiring the cause of delay in the transmission of bill No. 190 dated the 19th November 1923 for Rs/6-10-8 on account of vaccine ~~ly~~ lymph supplied to the Malnad Improvement Vaccinators in the Hassan District, I have the honor to inform you that the delay was due to the time it took to arrange for a stock certificate being recorded on the bill in conformity with the standing procedure in the matter. The bill was returned to the President, District Board for this purpose on the 21st December 1923 and was received back with the certificate on the 18th April 1925. The verification of the fact of the actual supply of lymph involved much correspondence and took up all this time.

2. In this connection, I may note that the lymph is supplied direct to Vaccinators on indents which they similarly send up direct to the Superintendent of the Vaccine Institute. The ^{insistence} ~~instances~~ of a stock certificate to be recorded by the President, District Board, must in such circumstances occasion a protracted correspondence particularly if - as in the present instance - the Vaccinator happens to make a mistake in his account of lymph supplied to him. I consider that in the case of vaccine lymph (which is a perishable article required to be used up without loss of time) a stock certificate serves little useful purpose and ought to be waived.

Letter No. WAD.Mis. 1957 dated the 29th June 1925 from the Comptroller in Mysore, to the Sanitary Commissioner in Mysore.

With reference to your letter No. 515-31 dated the 15th May 1925 requesting this office to adjust Rs6-10-8 being the cost of vaccine lymph supplied to Malnad Improvement Vaccinators in Hassan District, I have the honor to state that the amount of the bill was adjusted as desired.

2. In your letter referred to above, you state that the cause of long delay in transmitting the bills for adjustment is due to delay in getting the stock certificate and that these certificates serve no useful purpose. If this be so you may kindly take necessary action to get this standing procedure altered, to avoid delay in adjustment

Expenditure of one year should be met from the grant of the same year failing which the grant for the year will lapse and the same cannot be met from the grant of another year.

GENERAL AND REVENUE DEPARTMENTS.

G. O. No. L. 2402-23—San. 4-25-2, dated 6th October 1925.

Stock Certificates.

Directs that —— be dispensed with in respect of the supply of vaccine lymph.

READ—

Letter No. C. 515-38, dated the 13th July 1925, from the Sanitary Commissioner in Mysore, forwarding a copy of the correspondence between himself and the Comptroller in the matter of the delay in the adjustment of the bills on account of the supply of vaccine lymph and requesting that the bills in regard to vaccine lymph may be exempted from the order requiring the recording of stock certificates before effecting book adjustments in regard to supply of such lymph.

ORDER No. L. 2402-23—SAN. 4-25-2, DATED 6TH OCTOBER 1925.

It is seen from the correspondence that as vaccine lymph is indented for by the vaccinators from the Superintendent of the Vaccine Institute and is supplied direct to them, a long correspondence will have to be carried on with the Presidents of the District Boards and Municipal Councils before stock certificates can be recorded. Hence the Sanitary Commissioner has recommended that the present procedure may be modified. The Comptroller has intimated in his letter to the Sanitary Commissioner that action may be taken for altering the procedure, if the certificates serve no useful purpose.

2. In view of the above facts and the perishable nature of vaccine lymph, Government are pleased to direct that stock certificates may be dispensed with. But to ensure proper use of lymph, Government consider it necessary that the Vaccine Institute should send to the Sanitary Commissioner intimation of each supply and the Sanitary Commissioner should send this on to the Vaccinator (through the Deputy Commissioner or the President, District Board, as the case may be) for filling in the number of cases vaccinated with that supply and take notice of cases of waste.

3. The Sanitary Commissioner is requested to prescribe a suitable form for giving effect to the above procedure and send it to Government for approval before being printed and supplied to the Vaccine Institute.

B. NAGAPPA,
*Secretary to Government,
Local and Legislative Departments.*

To—The Sanitary Commissioner in Mysore.
The Director of Public Health Institute, Bangalore.
The Deputy Commissioners of Districts.
